COLORED BY BAUMIT

Baumit Life: Ein Farbsystem, so strahlend schön, vielfältig und individuell, wie das Leben selbst.

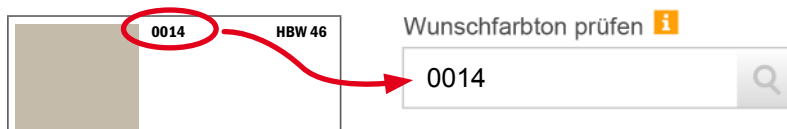

Früher war die Individualität eines Wohnraumes auf das Innendesign beschränkt. Aber die Zeiten haben sich geändert: Heute ist es die Fassade, die ein Gebäude einzigartig macht. Aus diesem Grund hat Baumit eine umfassende Farbpalette entwickelt – das Baumit Life System. Mit seinen über 800 unterschiedlichen Farbtönen sind Ihrer Kreativität in Sachen Fassadengestaltung keinerlei Grenzen mehr gesetzt. Ob Sie nun dezente Pastelltöne oder intensive dunkle Farben bevorzugen – mit Baumit Life können Sie Ihre Künstlerseele zur vollen Entfaltung bringen.

Die Basis des Life Systems bilden 94 Haupttöne, von denen jeder 8 weitere Farbabstufungen besitzt. Abgerundet wird das System von 6 Weißtönen und 36 Mosaikputz-Varianten.
