GLITTERATI

JULIEN MACDONALD

"I am excited to be collaborating once again with Graham & Brown to create a range of show stopping wallpapers. Designing a wallpaper collection was something that came instinctively to me, the link between fashion and home has never been closer; it was a natural progression"

JULIEN MACDONALD

"Glitterati is Graham & Brown's third wallpaper collection with Julien, effortlessly glamorous yet perfect for use all around the room, his attention to detail and creative spirit are captured perfectly within this design set along with Julien's signature sparkle."

GRAHAM & BROWN

Graham & Brown, the wall decoration innovators, have again collaborated with the internationally acclaimed British fashion designer Julien MacDonald, on the launch of his latest wallpaper collection.

Inspired by Julien's legendary fashion prowess and Graham & Brown's iconic design heritage, Glitterati is a celebration of high fashion for the home. Featuring flock, silver and gold metallic detailing and holographic glitter embellishments, Glitterati is a collection of pure decadence but without the designer price tag.
