

[illegible]

Art. Nr. 9916300003

Diagram illustrating a two-stage transmission system. The system consists of two gears mounted on a horizontal shaft. The first gear, labeled 154,4, is fixed to the left end of the shaft. The second gear, labeled 45,6, is fixed to the right end of the shaft. The shaft is supported by a fixed support on the left and a fixed support on the right. The distance between the centers of the two gears is indicated by a dimension line labeled 154,4. The distance from the center of the second gear to the right fixed support is indicated by a dimension line labeled 45,6.
